What would you like to do?

-  Complete This Form
-  Pending / Draft Forms
-  Forms History
-  Manage your Account

Step 5

The first page of the form provides instructions for completing the form as well as prompting you to input the Student's first name, last name, and email address. **As the student will also login using the single server sign-on, please only use their official ETSU email address ending in "@etsu.edu" Please do not use personal email address, goldmail, or the "mail.etsu.edu" address. This will cause the student's identification not to match when they try to complete the form.**

Instructions

You are only responsible for completing the **Contract & Departmental Information**. You will **NOT** be able to input the student's information. This is not a technological issue. **If a box is gray and does not allow you to select it, you are not responsible for the contents of that box.** This is the way the form flows to prevent as much human error as possible.

Step 6

Complete the contract and departmental information. Pay close attention to the notes throughout the form. You will notice the boxes for **Student Name**, **E-Number**, and **Email Address** are gray and you cannot select them. These will be completed by the student upon signing into the form via the link you just emailed them from the previous page. **Students should be on the lookout for an email from forms@etsu.edu.**

You will also notice you cannot enter the E in the Department Account # or the T in the Time Keeping Location. Only the numbers are needed. If you happen to be using an account that does not start with an E, please email Sarah Shanks at shankssa@etsu.edu.

The latest additions to this form are the fields to enter **Supervisor Name**, **Supervisor Phone**, and **Supervisor Email**. After listening to many suggestions, we have added these fields as a way to help track the progress of the employment process. By completing these optional fields, the supervisor will also receive emails regarding the status of the student's contract, including Golden Ticket and approval emails.

DO NOT allow students to work any hours until your department has received approval from the Office of Financial Aid. Failure to complete paperwork prior to the first date of employment/required contract date could result in substantial federal and/or state fines incurred by the university and paid by the hiring department.
