37. RHSC - 6602 - Orthotics and Prosthetics Culmination (Jeffrey Snodgrass)

The above proposals were discussed at length. Proposal No. 4 was tabled. More research and discussion is needed. Motion was made, seconded and carried to approve all others.

D. Open Graduate Council Positions

We still have no one from the College of Public Health. Dr. Lori Marks will be reaching out to them to see whom they want to serve.

E. Proposed new approval process

- b. Subcommittee approval of their respective recommendations
- c. These items would be on the consent agenda
- d. Items that should be discussed in Graduate Council

Discussion was made about streamlining the approval process for the curriculum subcommittee. Dr. Johnston will work on the wording for this proposal and send it out. What should go on consent agenda and how can we make the approval process more efficient. We want to save time so that curriculum proposers will not have to come back to Graduate Council once the proposal is approved at the curriculum subcommittee level.

F. Graduate Council Annual Report

Motion was made, seconded, and carried to approve the 2019-2020 Annual Report

G. Future Meeting Concerns

- e. November 23
- f. December 28
- g. May, June, July

November 23 and December 28 the university is closed. Dr. Johnston will discuss this more at next meeting on how to schedule future meetings.

H. Graduate School Updates

Dr. McGee said that fall enrollment is flat; we are down about 1 or 2 students.

I. Adjournment

There were no further items to discuss. Meeting adjourned at 2:49pm
